Scholarships Awarded to Tri-City Students and Teachers for Video Contest

ACWD is proud to announce the winners of the 6th annual WaterClips Student Video Contest! On May 21, Tri-City students in grades 6-12 received scholarships for creating 30-second videos. This year's theme, ACWD Water and Me, allowed students to share their personal stories about how water has shaped family traditions, and the role water plays in schools, homes and the community. Teachers were awarded for sponsoring student videos. Congratulations, students and teachers!
