

Celebrate Smart Irrigation Month

July is Smart Irrigation Month! To celebrate, ACWD is partnering with the Environmental Protection Agency's (EPA's) WaterSense Program to offer single-family residential customers a rebate of **\$75 plus tax (totaling \$82)** for purchasing and installing a WaterSense certified weather-based irrigation controller (WBIC).

Certified WBICs use 20% less water, save energy, and perform as well or better than other conventional controller models.

To learn more about this rebate, including eligibility requirements and application materials, please visit [acwd.org/rebates](https://www.acwd.org/rebates). For questions, please contact water.cons@acwd.com.
