## LAWN BE GONE! REBATE PROGRAM

ACWD customers who convert lawns to living water-efficient landscape may be eligible for a rebate up to \$2 per square foot of lawn converted.

Low water use landscapes look great and can save money on water bills, fertilizers, pesticides, and maintenance.

Speak with an ACWD Water Use Efficiency Specialist and discuss any questions related to the Lawn Be Gone! Rebate Program or other water conservation related topics. For a program application, visit [acwd.org/rebates](https://acwd.org/rebates).
