

Home and Landscape Fall Checklist

It's daylight saving time and a good reminder to get your home and landscape winter-ready! Here's a checklist to help you get started:

- ✓ Purchase a rain barrel to harvest water from your roof and receive a rebate up to \$50 per rain barrel with ACWD's Rain Barrel Rebate program (2 barrel maximum). Visit acwd.org/rebates for more information.
- ✓ Reduce irrigation days and turn sprinklers off when it rains.
- ✓ Add mulch! It will reduce evaporation and retain moisture in soil.
- ✓ Clean gutters and downspouts of leaves and debris.
- ✓ Plant California natives and water-efficient plants.
- ✓ Let seasonal rains do the watering.
