

THE ACWD CONNECTION

Soil, Compost, and Mulch, oh my!

Spring has sprung and it's time to get that garden started! Join us at our next landscape workshop and discover how to improve water efficiency in your garden by fixing the soil. Come learn how amending soil with compost and mulch can conserve water by maximizing water holding capacity. This workshop is free, however registration is required.

Saturday, May 18, 2019

ACWD Headquarters

43885 S. Grimmer Blvd. Fremont, CA 94538

10 am - 12 pm

To register visit: www.bawsca.org/classes
