

THE ACWD CONNECTION

An Earth Day Pledge

This Earth Day make a pledge to Mother Earth! A small change today can make a big impact in years to come. Here are some ideas:

1. Fill up on tasty tap! Replace single use plastic water bottles with refillable bottles.
2. Plant Bay-friendly plants in your landscape. They are easy to care for and require less water and fewer pesticides and fertilizer.
3. Install a rain barrel at your home. You can harvest rainwater to use at a later time and reduce the amount of runoff from roofs.

No pledge is too small—this Earth Day and every day!

For more information on conservation visit: www.acwd.org/conserve

Megan (left) and Sharene (right) pledge to drink only tap water—no more plastic bottles.

Proud to provide a reliable supply of high quality water at a reasonable price to Fremont, Newark and Union City
