

THE ACWD CONNECTION

2018 Water Quality Report is Now Available

ACWD is committed to providing our 357,000 customers with safe, high-quality drinking water and our water quality report proves just that! In 2018, your water continued to meet or surpass all quality standards required by both state and federal regulatory agencies. The 2018 Water Quality Report, also known as the Consumer Confidence Report, or CCR, is now available to view. This comprehensive report provides the results of thousands of analyses of tests conducted to maintain high-quality, safe drinking water for our customers.

To view the 2018 Annual Water Quality Report and to learn more about your drinking water, please visit www.acwd.org/2018CCR. If you would like a paper copy of the report mailed to you, please call (510) 668.6500.

Proud to provide a reliable supply of high quality water at a reasonable price to Fremont, Newark and Union City
