

THE ACWD CONNECTION

Water & Energy Savings Program

ACWD and Pacific Gas & Electric Company (PG&E) have partnered to offer income qualified customers a new water and energy efficiency program. Through this program, local contractors will provide water and energy conservation assessments to residents, and when necessary, install new toilets, faucet aerators, low-flow shower heads and more!

If residents qualify for the Energy Savings Assistance Program provided by PG&E and are ACWD customers they will receive energy-saving improvements and automatically be offered the additional water savings services offered by ACWD for FREE.

How to sign up:

www.pge.com/energysavings or call 866-681-3533 and apply to the Energy Savings Assistance Program

Proud to provide a reliable supply of high quality water at a reasonable price to Fremont, Newark and Union City
