

# THE ACWD CONNECTION

This September make sure you and your family are emergency-ready. Here are a few tips to get you started:

- ⇒ Make a disaster plan for your family.
- ⇒ Store water! We suggest two gallons per person per day for 3 to 7 days. Remember water for your pets too!
- ⇒ Sign up for our Rapid Alert Notification System (RANS) — this will allow us to reach you via text, phone call or email with urgent water-related information.

To download an Emergency Preparedness Checklist and sign up for RANS, visit: [www.acwd.org/emergency-preparedness](http://www.acwd.org/emergency-preparedness)

The graphic features a green shopping bag filled with various emergency supplies like water bottles, a first aid kit, and a pet carrier. To the right, the text reads 'PREPARED, NOT SCARED' in large green and grey letters. Below this, it says 'National Preparedness Month 2019' in a green box. At the bottom left, there are logos for FEMA and the 'Ready' campaign.

**PREPARED,  
NOT SCARED**
