Scheduled Water Main Cleaning to Improve Water Quality

ACWD is scheduled to clean water mains in the cities of Fremont, Union City and all dead-end mains in the Tri-Cities to improve water quality and remove sediment buildup in pipes that may cause discolored water. This process is part of the vital service provided by ACWD to ensure that all customers receive high quality water.

Cleaning will occur at various locations throughout the service area from January through June 2019; Monday through Friday, from 7 a.m. to 4 p.m. (excluding holidays).
