

THE ACWD CONNECTION

Water Main Project Starting in Newark

The Souza Avenue and Concord Street Project will upgrade essential infrastructure and improve water supply reliability in the city of Newark. This project includes the installation of approximately one mile of new pipe and replacement of all water service laterals, valves, and fire hydrants.

Location: Burdick Street, Souza Avenue, Ruschin Drive, Hafner Street, Toulon Place, Concord Street with interconnections to other pipelines in Newark. (Full project map available online)

Schedule: July 2020 - January 2021, Monday - Friday, 8 a.m. - 4:30 p.m., night and weekend work may occur

Learn More: Virtual informational meeting, July 23, 5 p.m. - 6 p.m.

Visit www.acwd.org/SouzaConcordProject for more information and to join the virtual meeting.

Proud to provide a reliable supply of high quality water at a reasonable price to Fremont, Newark and Union City
