

THE ACWD CONNECTION

Virtual Tour: Alameda Creek Fish Passage Projects

This year, in recognition of Imagine a Day Without Water, ACWD will host our first-ever virtual tour! Join us for Anna's Adventures - an exciting peek into a steelhead trout's trip up the Alameda Creek Watershed. As you travel upstream with Anna, check out our fish passage projects and the installation of our state-of-the-art fish ladder. Tour-goers will get a behind-the-scenes look at the operation of one of our inflatable rubber dams, fish ladder, fish screens and water diversion pipelines. The tour will be 45 minutes followed by a 15 minute Q&A session.

Date: Wednesday, October 21, 2020

Time: 11 a.m. - 12 p.m.

Registration: www.acwd.org/tours

Proud to provide a reliable supply of high quality water at a reasonable price to Fremont, Newark and Union City
