

THE ACWD CONNECTION

Water Conservation and the Holidays

While the holidays will look and feel a bit different this year, ACWD still encourages customers to practice conservation this season. Here are some helpful water conservation tips:

- ▶ Check your home for leaks.
- ▶ Install high-efficiency toilets.
- ▶ Always wash full loads of laundry and dishes.
- ▶ Take 5-minute showers and encourage family members to do the same.
- ▶ Capture indoor water and use it for your outdoor garden. To save even more water for outdoor use, install a rain barrel.

ACWD offers rebates for qualifying rain barrels and high-efficiency toilets. Please visit

www.acwd.org/rebates for more details.

Proud to provide a reliable supply of high quality water at a reasonable price to Fremont, Newark and Union City
