Advanced Metering Installations Begin

The installation of our Advanced Metering Infrastructure (AMI) project is now underway. Water meters will be upgraded or replaced throughout Fremont, Newark and Union City now until completed by the end of 2023. We will keep customers informed every step of the way! Here is what you can expect:

- Meter upgrades begin this month at 3,300 designated homes and businesses.
- Customer notifications:
 - A letter will be mailed about two weeks before the upgrade.
 - A door hanger will be delivered 5 days before the works starts.
 - Another door hanger will be delivered once the work is completed.
