

## APPROVED BACKFLOW PREVENTION TESTERS

January 01, 2026

*For your convenience, Alameda County Water District has compiled a list of A.W.W.A. certified backflow assembly testers that have registered with us and are authorized to perform work within our jurisdiction. Alameda County Water District does not recommend or endorse any individual or company listed. A plumbing permit may be required for an installation. Please contact the Building Department of the city in which you are located for any further requirements.*
